RE: Updated Preferred Pharmacy for SilverScript Medicare Part D Plans 2018

Dear Patient,

Late last week, AuBurn Pharmacy gained **preferred network status** with Caremark for the **2018 SilverScript Medicare Plans**. The information in the CMS Plan Finder and the pharmacy directory look-up on the SilverScript web-site has not yet been updated to reflect our preferred status but should be updated prior to the January 1<sup>st</sup>, 2018 start date.

Just because the web-site update happens after enrollment, this **does not** prevent you from continuing to be enrolled in a SilverScript plan for 2018 and still use AuBurn Pharmacy as a preferred pharmacy to get lower copayments for your prescription medication. You absolutely can! AuBurn has preferred provider status now.

Our pharmacy participates in **ALL** Medicare Part D Prescription Drug plans and has preferred cost sharing for the following plans\*\* in 2018:

**SilverScript Choice      SilverScript Plus**  
**Magellan Rx Medicare Basic**

Medicare Open Enrollment is from **October 15 to December 7, 2017!** This is your opportunity to optimize your Medicare prescription drug plan. As an additional service to you, we can use your current medication profile to personalize a plan\* comparison estimate to assist you in selecting the best plan to fit your needs.

We would like to discuss these options with you the next time you visit your AuBurn Pharmacy. When you come in, bring your Medicare card so we can walk you through any questions you may have. We look forward to seeing you soon!

Sincerely,
